JA BIZTOWN combines in-class learning with a day-long visit to a simulated town. This popular program allows elementary school students to operate banks, manage restaurants, write checks, and vote for mayor. The program helps students connect the dots between what they learn in school and the real world.

JA FINANCE PARK introduces students to personal financial planning and career exploration. At the culmination of this teacher-led program, students visit JA Finance Park, a realistic on-site or virtual community, to put into practice what they've learned by developing and committing to a personal budget.

Please complete this permission form and return with payment to Mrs. Francisco (6th graders) or Mrs. Bogard (8th graders) by February 23, 2018.
