

Shotokan Karate of America

When and Where:

Just a reminder that karate classes are held after school at the Buckeye Campus on Tuesday and Thursday. Classes start at 4:15.

Who:

The instructor is Mr Bench, who has trained under Mr Tsutomu Ohshima since 1973 as a member of Shotokan Karate of America. www.ska.org
Students and friends and family are welcome also to attend.

In order to keep class quality high, members of Shotokan Karate of America seek out like minded organizations such as the Odyssey schools, instead of incurring high overhead, which would turn the whole operation commercial and meaningless . We appreciate the opportunity to utilize the space to bring traditional honest training to Odyssey students and the community.

Cost; \$65 per month for the first family member. \$35 per month for each additional family member.

You can test drive a class
